Sharpening Contours of Research**

Date : 29th July 2022 to 5th August 2022

Time : 10am to 12pm

Students: 150 (TY and PG Students)

The Research Cell of SIES College of Commerce and Economics held a 6-day intensive Student Development Programme, labelled "Sharpening Contours of Research" from the 29th of July till the 5th of August 2022, in the Auditorium of SIES College of Commerce and Economics. It was held under the leadership of Dr. Shanti Suresh and Ms. Falguni Mathews. The students were provided with writing material on the first day of the programme and refreshments on the final day.

The keynote speakers included Dr. Sagar Gaikwad, Dr. Vinod Kamble, Dr. Kanika Khurana, Ms. Vrushali Kanheri, Ms. Minakshi Gurav and Mr. Amol Patil. They covered topics such as Introduction to Research, Review of Literature, Gap Analysis, Plagiarism, Referencing, Questionnaires, Validation, Data Analysis, Qualitative Analysis, Orientation for Avishkar.

The final day, i.e. 5th Aug, 2022 was dedicated to IPR Awareness, wherein the students were briefed about topics such as patents, design, trademarks, copyright etc. The students were also made to take an MCQ test on the final day in order to test their learnings from the programme.

The main aim of the programme was to help students write research papers and groom them to participate in the Avishkar Research Convention. The entire programme was a huge success due to the efforts of the organising committee who worked tirelessly for hours behind the scenes to ensure things went smoothly. Students who attended all the sessions and successfully gained 60% and above in the test were awarded with participation certificates.

Efficient Use of Library Resources & Effective Research Paper Writing Session

Date and time: Wednesday, 30th November 2022, 11:00 am to 2.00 pm.

Session Speaker: **Mrs. Anuprita Sardesai** (PG In Library & Information Science, SET In Library & Information Science) and **Dr. Anoushka Mirgnani** (PG in Commerce, Ph.D. in Commerce and Research Guide, Assistant Professor in Don Bosco College).

The BMS Department of SIES College of Commerce and Economics (Autonomous) organized a hybrid seminar on the **Efficient Use of Library Resources & Effective Research Paper Writing Session**, on 30th November 2022 between 11.00 am and 2.00 pm in the College Auditorium. Mrs. Anuprita Sardesai & Dr. Anoushka Mirgnani was invited to deliver the session.

The session witnessed the participation of more than 200 students and 2 faculty. The session was open for second and third-year management undergraduates. The third-year students were also able to attend the session online. Ms. Divya Thakur and Ms. Manasi Shah invited all the students and the guest and invited the BMS Co-Ordinator, Mr. Aniket Swaraj. Post the introductory speech by Ms. Divya Thakur, The key Speakers took over the proceedings of the session.

In the first session, Ms. Anuprita Sardesai introduced herself, briefly discussed her profession, and emphasized the importance of using library resources when writing an effective research paper. Later, Dr. Anoushka Mirgnani took over and began by outlining the fundamentals of a research paper, detailing the 14 main components of a research paper. She used relatable examples to make it easy to understand, and she kept the session interactive. The session taught the students how to construct a research paper. Following it was concluded with a vote of thanks from Yash Sheth and Dhvani Gandhi, the students filled out and submitted a Google Form with their feedback.

National Level Research Conference "NIRMITI"

Innovative practices among Start-ups and MSMEs for Sustainable Development

13/01/2023

The IQAC, Department of Bachelor of Management Studies and Entrepreneurship Cell organized a National-level Research conference "NIRMITI" on 11th January 2023 from 10:30 am to 4:30 pm. The research conference had a total of 42 selected research papers which were presented in front of 3 judges in 3 tracks. Students from Indira School of Business Studies (Pune), Madhyanchal Professional University (Bhopal), Don Bosco College (Mumbai), MMP Shah Women's College of Arts & Commerce (Mumbai) and SIES College of Commerce and Economics (Mumbai) participated with great enthusiasm. The research conference aimed to make students understand how to write and present a research paper.

The session started with a program introduction by Mr. Aniket Swaraj, Convenor and Coordinator of the BMS department. After that, Principal Dr. Nina Roy Choudhary, IQAC Coordinator Vice-Principal Mrs. Sangeeta Kore and Vice-Principal Dr. Shanti Suresh addressed the students. Jury of judges which included Dr. R. Gopal, Dr. Nitin Vazirani and Dr. Pushpendu Rakshit were introduced and felicitated. Students and judges then moved to their allotted classes for presentations.

Students were given 7 minutes to present their topic. Top 3 presentations from each track were selected for the final round which was a Q&A round. Thereafter, the judges gave their feedback and announced the final winners.

The winners were awarded medals and certificates and also attractive cash prizes. The conference was very informative and knowledgeable to the students and will help them in the long run. 75 students, 13 faculties and 3 judges were present for the event.

Report of FDP on Business Research Methods

The Research Cell organized a Faculty Development Program on the 23rd of January 2023. Twenty seven faculty members attended the same. The expert Dr Prerna Manhendroo took the faculty through a hands-on session on SPSS and oriented them on the various tests to be used in Hypothesis testing.

Objectives of the session: The primary objective of this FDP is to provide participants with an in-depth understanding of hypothesis testing and develop a research orientation among them and acquaint them with the fundamentals of SPSS and different statistical tools like t-test, Z-test, One Way ANOVA and Correlation & Regression.

Learning Outcomes: The curriculum will help the participants to understand the basic concepts used in research and understand the type of data and various tests applied to it. They will also learn to frame the hypothesis and will be taught different parametric tests using business case studies. They will be enabled to apply and practice the same through computer-aided sessions, discussion boards, and other assessment activities.

Pedagogy:

- PowerPoint presentations
- Classroom teaching and computer-aided practice
- This course introduces the methods of data analysis for research. The computer is used as a tool and statistical software package - SPSS is used extensively to carry out the analysis.
- Case discussions and analysis
- Interactive sessions
- Lecture notes and reference material relevant to the topics covered.
- Application-based problems coverage
- Participation by the participants will be emphasized.

Content:

REPORT OF RESEARCH DATA ANALYSIS

Session Speaker: Prof Vibha Prasana Dicondwar

Date and Time: 9th March, 2023 – 11am to 12pm

Venue: Laboratory no. 4

The BAF Department of SIES College of Commerce and Economics (Autonomous), organized a seminar on 'Mastering Excel: Unleashing the Power of Spreadsheets' on 9th March 2023 between 11:00 am – 12:00 pm. Prof Vibha Prasana Dicondwar were invited to deliver the session on 10th March 2023, focusing into the art of data alchemy during a research analysis session.

The session witnessed participants of more than 40 students.

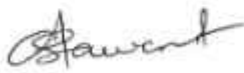

Ms. Iffah Shaikh from SYBAF welcomed everyone for the seminar. She stressed the importance of gaining more experience through such sessions and praised the participants for their eagerness to learn and grow. Following Ms. Iffah Shaikh's introduction of the speaker, the speaker took over the session's proceedings.

Prof Vibha Prasana Dicondwar initiated the session by providing a comprehensive introduction, showcasing her expertise in Excel and outlining the objectives of the workshop. The introduction set the computer lab for an insightful exploration of Excel's functionalities and applications.

Throughout the seminar, participants were guided through various aspects of Excel, from basic to advanced features. Prof Vibha employed interactive teaching methods, encouraging active participation and ensuring that the content was accessible to all skills levels.

The session proved to be a valuable learning experience, enhancing our understanding of Excel's capabilities and its relevance in both academic and professional settings. As participants, we appreciate the effort and expertise that Prof Vibha brought to the seminar, leaving us better equipped with practical Excel skills.

In conclusion, the seminar not only deepened our understanding of Excel but also fostered a positive learning environment. We extend our gratitude to Prof Vibha for sharing her knowledge and insights with our college community. Lastly, the session ended with a live student feedback and a formal vote of thanks by Ms. Iffah Shaikh.
