REPORT OF BUDDHI 2022-2023

7th February 2023

Chief Guest: Mr. Kaviraj Devraj (SIES Alumni)

Date and Time: Saturday, 21st January 2023, 9:00 am – 6:00 pm

BUDDHI- The literary festival was successfully organized by The BMS department of SIES College of Commerce and Economics on 21st January 2023. It was the 11th edition of the fest after it was founded in the year 2011-12. Buddhi meaning “intellect”, an intra-collegiate paperless literary festival always speaks volumes about a new stroke of creativity, passion, and enthusiasm.

An Elimination round was held on 14th January 2023 which witnessed an overwhelming 200+ participants from different departments of the college. The top 60 participants were selected from the elimination round for the main event and were allocated to 15 teams. Each team consisted of 1 alumni mentor and four participants.

The main element added to Buddhi this year was the ‘Guidance and Mentorship’ theme. The participants were questioned about it through various techniques in the 4 events namely, Investors Yatra - where the participants had to channel their investing power, Quiz-ory - a twist to the normal quiz solving and story writing, Bail Out Plan- turn around a loss-making company and a suitable use of bailout package and finally Survivors’ Battle -Where the participants had to constantly brainstorm to survive themselves and a finale closure - “Battalions Battle”

The opening ceremony began at 9:30 am in presence of Dr. Nina Roy Choudhury, Principal of the College, and Mr. Kaveraj Devraj as the chief guest among other distinguished guests. The event began with the lighting of the lamp and the oath-taking ceremony by the Principal and Chief guests followed by the introduction and description of the events and the theme. All the events were held in group form which witnessed the cooperation of the 60 participants, 15 Alumni, 4 judges, 1 chief guest, and 9 faculties.

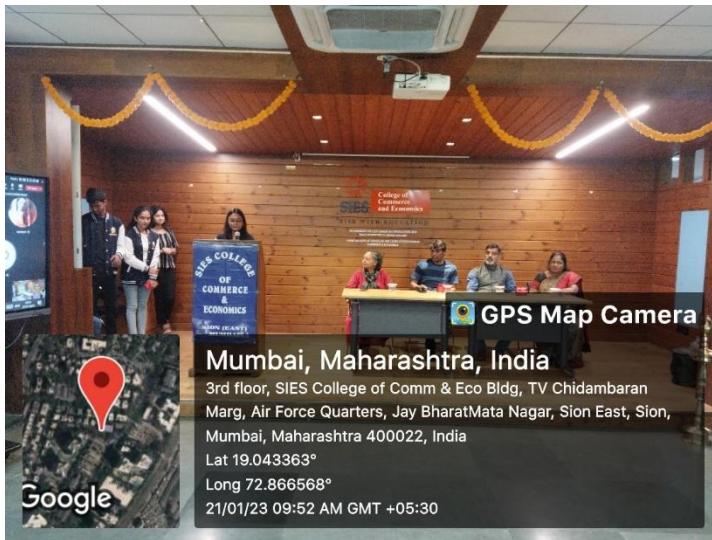

After all four events, an Ask the Alumni session was also held after which the top 4 selected teams then took part in the final event of Buddhi. The closing ceremony was marked by a few words by the Chairperson, the Coordinator of the BMS department, Mr. Aniket Swaraj (faculty), and other faculties of the BMS Department. The most anticipated part of the winners was announced by the faculties and 3 teams in total from the final event were declared. The day of enthusiasm, cooperation, and hard work concluded with a formal Vote of Thanks.
