Marketing Unplugged 2022 - Report

30th August, Mumbai Venue: College Auditorium.

NO. Of Participants: 61

Marketing Unplugged which was held on 30th August 2022 was an intense marketing competition between 6 groups of students from TYBFM. It was organised by their faculty member, Ms. Falguni Mathews who along with a handful of SYBFM students, worked tirelessly behind the scenes to ensure that the entire event was a huge success.

The judges for the day were Mr. Shakti Chavan, Ms. Deanne Rodrigues and Ms. Swarali Halepeti. Students presented on a wide variety of topics such as Team Radio-Escape101, Team Chocolate- Blue box chocolate, Team Beverage- Monarch(Wine), Team Magazine- Uncensored, Newspaper- News Hive and Team News channel- Daily Prime. They shot commercials and even prepared jingles for their products.

In Spite of being finance students, they were able to come up with innovative marketing techniques and present their ideas in extremely creative ways. The winners for the day were Team Radio who won the first prize and Team Beverage- Wine who won the second prize. Ashwamedh Nair and Deanne Dsouza won the 1st and 2nd prize for best speaker respectively. All of the winners were awarded with medals and certificates as a token of appreciation.

The hardwork and dedication put into all of the presentations was clearly visible and the students left the event feeling extremely contented with their work. It helped them to build their confidence in public speaking and gave them a platform to showcase their amazing marketing skills.

All in all the event was a huge success and it is something that the students will never be able to forget for sure.

Session was great
Overall a great experience and we learn something very different in marketing segment
It's was excellent
It was a good competition, enjoyed it thoroughly. More such events should be organized.
Not really it was very much innovative and a good learning session
Finance department should have such competition every alternate month so that student should come up showcase their skills and grab the opportunity with them

REPORT OF SEMINAR ON CAREER OPTIONS AS DATA SCIENTIST

19th November 2022

Event: Seminar at Bombay Stock Exchange – Career options as a Data Scientist

Date and Time: 17th November 2022, 11:30 AM to 1:00 PM

The event was hosted by Ms. Meenakshi, the head of the Global Data Science Program conducted by Bombay Stock Exchange Institute Limited. The speaker for the day, Mr. Chirag Jhumkhawala has 5+ years of experience on Data Science Problems, over 9+ years of industry level software experience. He has worked on problems from sectors like Agriculture, Aeronautics, Weather, Finance etc. Apart from being an AI consultant to multiple startups, currently working with companies as AI hiring consultant.

The event started with an introduction to Bombay Stock Exchange. And soon we started with an interactive QnA to understand the audience knowledge regarding BSE and Data Science.

The session was then handed over to the speaker for the day, Mr. Chirag. Sir started with an introduction to himself and his career & experience as a data scientist.

Later we discussed the different sectors under data science, the salaries that each sector receives. Discussions over different websites now available that make use of data science, such as copy.ai. We talked about the Information Age & lastly discussed about the myths surrounding data science.

The audience was then introduced to the BSE GDSP (Global Data Science Program) and a brief introduction to the program was provided.

The seminar concluded with a vote of thanks, thanking the incredible speaker for his valuable time & great will to share his knowledge and experience with the students. The faculty members of SIES College of Commerce and Economics that were present at the event were felicitated.

REPORT:

SIES College of Commerce and Economics (Autonomous), Sion (East) Report of EDIT Events

31st January, 2023

DAY 1

Date and Time: Friday, 27th January, 2023, 10:30 am – 6:00 pm

Introduction

EDIT was introduced in 2012 by the IT department of SIES College of Commerce and Economics(Autonomous) and is an annual intercollegiate Fest.

The Objective of this fest is to introduce this field through fun & challenging competitions.

This year had a variety of events consisting of non technical events such as Bingo and quiz to technical events like Capture the File and Blind typing. The events gave everyone a platform to showcase their talents and creativity. The fest was conducted in offline mode with the theme being “Gadget Overload.

Inauguration

The inauguration of the edit was started by wishing Good morning to everyone by our-Chairperson and Vice Chairperson then the Lighting of the lamp was carried forward, Samay Lighting was done by VP Ms. Sangeeta Kore, VP Ms. Shanti Iyer, HOD Ms. Bhavini Shah and the entire IT faculty.

Lightning of the lamp was done with the Saraswati Vandana sung by our Core committee member and Sameer Ansari Then Shanti ma'am addressed the audience with kind & encouraging words about how the IT department drives technology on the campus. Sangeeta ma'am also congratulated the team for the incredible campaigning surrounding the fest.

Then our HOD mam thanked the vice principal, faculty & students for making the fest possible & wished everyone luck. The inauguration ceremony came to an end with the Banner Roll of the edit fest.

Seminar

The first day of the EDIT Festival began with a seminar on the topic "End of data privacy". The keynote speaker for the session was Mr. Akshay Ridlan, who is currently working as Dy. Manager of Data Engineering at Piramal Finance.

Blind Typing

In this competition, 2 qualifying rounds were conducted for 1 minute each. Every participant had to turn off their display and type the projected paragraph as accurately as possible. Winners were chosen based on the amount of correct words they typed.

BINGO

In this classic game of Bingo, participants took part to complete the objective in the fastest time possible.

Quiz

The quiz was conducted in pairs, where each participant was quizzed with 5 questions, participants who answered all 5 questions correctly were qualified for the next round.

Rapid Fire

In this event, all the participants were given a word. All of them had to say related words from the given word. Everyone was allowed a pause of 5 seconds for 3 times. Repeated words were an instant elimination. Most participants were eliminated due to repeated words.

Tongue Twister

Tongue Twister, it was an event based on recitation of puzzling tongue twisters ranging from easy to challenging level. The participants had to recite the tongue twister for 5 times with no slip ups.

Capture the File

This event was based on finding a hidden file on the device using the clues provided. After the file was located, the participant also had to debug it. All participants had 20 minutes to find and debug a HTML and C file.

Debug the Hacker

Similar to the online sensation "Among Us", the event was played offline on the college second floor. Debug the hacker was the flagship event of the EDIT fest. The participants were registered individually and teams were formed on the spot by the fest volunteers. Each group consisted of 5 players, each of them were assigned a designation. Each participant was delegated with a set of tasks to carry out in one of the 5 rooms assigned - Admin, Server, Wi-Fi, Electricity, and Network. The hacker was handed a set of fake tasks to pretend as the team-mate along with sticky notes to pin a player to eliminate them. Each game took around 10-15 minutes with either a team-mate or the hacker appearing victorious. The player who completes the most tasks and either the hacker, who successfully eliminates all the players, or the player who identifies the hacker are announced as the winners. The event on day 1 was concluded with 6 players qualifying for the finals held on day 2.

DAY 2

Date and Time: Friday, 28th January, 2023, 10:30 am – 1:00 pm

Webinar

The second day of the EDIT Festival began with a webinar on the topic "AI Gadgets". The keynote speaker for the session was Mr. Kannan Maravar, a MSc IT graduate who is currently the director of Keights DigiTech Pvt Ltd.

Debug the Hacker (finals)

In the round, the participants were given superpowers which are as follows:

Tester- 2 vote to same person

Programmer- direct elimination

Debugger- 1 task less

Developer- Add task to others

Web design- lifeline

Analyst- 2 votes to different people with an option to the same person as well.

FOYER ACTIVITIES

scoop the cards

-In this event there were around 20 participants, where each participant had to scoop the cards with the help of spatula and put it in the plate. The participant who managed to scoop more cards in the plate was the winner. Each Participant had 30 seconds for each game & they had to scoop 15 cards. The participants will be blindfolded and they have to scoop the cards using only one hand.

Ice heist

In the ice heist event there were around 50 participants where each participant was allowed to use only one hand to put in the bucket of cold water where all the coins were kept.

Each participant had to fetch a 20 rupees coin amongst the bunch of 5 & 10 rupees coin which was in the bucket of cold water, once the participant put his/her hand in the bucket one cannot remove his/her hand from it without removing the 20 rs coin. Each participant was given 3 chances to remove the 20 rupees coin from the bucket of cold water.

blow the ball

-In Blow the Ball event the glass was filled to the brim with water and arranged in a straight line. The ping pong was placed on the first glass, the participants are required to blow the ping pong from one glass to the next till the ball is blown to the last glass.

LIT the candles

In LIT the candles event the participant had to light the candles to win this event. They had to light 10 candles in just 15 seconds. The participant who was able to light up the candles in 15 seconds was declared as the winner. Participants were required to light 10 candles using the

match sticks They are allowed multiple match sticks but not simultaneously.

Prize distribution

The prize distribution took place on 6th February in the presence of the department teachers. The prizes were announced by vice chairperson Danish Shaikh. The prizes were handed to the winners by department HOD Bhavini ma'am and co-ordinate teacher Mamta ma'am.

The prize distribution was conducted in the following sequence:

Bingo

Blind typing

Quiz

Rapid fire

Tongue twister

Capture the flag

Debug the hacker.

Conclusion

To conclude this eventful fest...it was filled with lots of technical & non technical events that garnered participation from not only the IT students but from other departments as well. The fest started off with the non technical events and transitioned smoothly to the technical ones later in the day. The teachers of the BSc IT department had fun with the foyer events which took place in the college campus. The flagship event “debug the hacker” & “bingo” in particular generated a lot of participation and interest because of which it was conducted again on the 2nd day. Head of Departments and volunteers ensured financial stability and the smooth conduct of the fest which took place in offline mode after 2 years.

Date and time: Wednesday, 30th November 2022, 11:00 am to 2.00 pm.

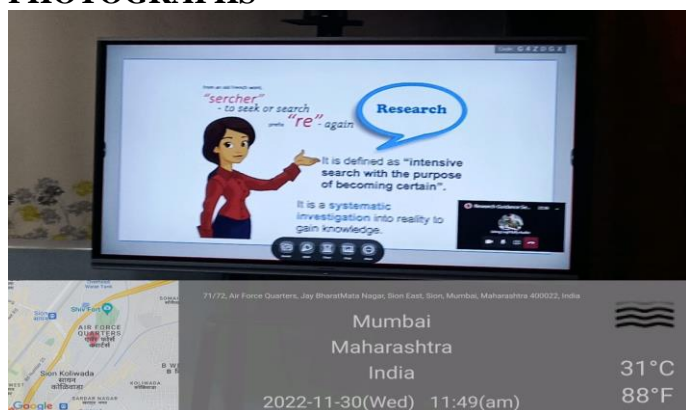

Session Speaker: Mrs. Anuprita Sardesai (PG In Library & Information Science, SET In Library & Information Science) and Dr. Anoushka Mirgnani (PG in Commerce, Ph.D. in Commerce and Research Guide, Assistant Professor in Don Bosco College).

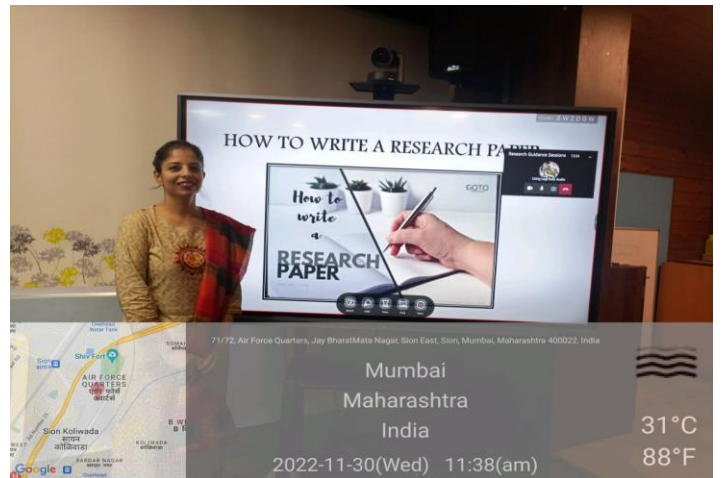

The BMS Department of SIES College of Commerce and Economics (Autonomous) organized a hybrid seminar on the **Efficient Use of Library Resources & Effective Research Paper Writing Session**, on 30th November 2022 between 11.00 am and 2.00 pm in the College Auditorium. Mrs. Anuprita Sardesai & Dr. Anoushka Mirgnani was invited to deliver the session.

The session witnessed the participation of 150 students and 2 faculty. The session was open for second and third-year management undergraduates. The third-year students were also able to attend the session online. Ms. Divya Thakur and Ms. Manasi Shah invited all the students and the guest and invited the BMS Co-Ordinator, Mr. Aniket Swaraj. Post the introductory speech by Ms. Divya Thakur, The key Speakers took over the proceedings of the session.

Dr. Anoushka Mirgnani began session by outlining the fundamentals of a research paper, detailing the 14 main components of a research paper. She used relatable examples to make it easy to understand, and she kept the session interactive. The session taught the students how to construct a research paper. Following it was concluded with a vote of thanks from Yash Sheth and Dhvani Gandhi, the students filled out and submitted a Google Form with their feedback.

Report on

BMS Industrial Visit

Belimo Automation India Private Limited

Date: 12th October and 13th October, 2022

The BMS Department of SIES College of Commerce and Economics (Autonomous) organized an Industrial Visit for FYBMS Students to Belimo Automation India Pvt. Ltd, Rabale, Navi Mumbai on 12th and 13th October 2022. Mr. Aniket Swaraj, the BMS Co-ordinator, along with Ms Shamim Shaikh, accompanied the students on 12th October, 2022, while Mr. Vinayak Krishnan, was the faculty in charge on 13th October, 2022.

This learning methodology aimed at educating students about the practical work environment in industries and organisations.

The sessions started with a formal welcome of all students by Ms Mansi Rane, Front Desk Executive, who emphasised about the safety measures to be observed within the organisation premises. This was followed by a discussion by Mr. Tushar Shinde, describing the company, its mission, vision, objectives, and other values. The students were taken on a tour within the premises, where the speaker demonstrated some of the key features and innovative practices of the organisation. The speaker also shared some real-life experiences and invited some of his colleagues for a brief interaction with students. Refreshments were also served during the break.

The sessions were informative and useful for the students. A formal vote of thanks and a group photograph, in each of the batches, was given at the end of the sessions. Overall, 110 students and three faculties were part of the industrial visit. As an assignment, the students were asked to create a report about the key takeaways from this experience.

A Report on Educational Visit to Sonal Groups at Alibaug Academic Year 2022-23

19th August 2022

An industrial visit was organized for the students of TYBMS and TYBFM for the subjects Logistics and Supply Chain Management of Semester V and Marketing of Financial Services of Semester V on 18th August 2022. The group comprised of 106 students and 2 members of the teaching staff.

Students assembled in college at 5:30 am and departed for Alibaug via bus at 6 am. After a brief stop for breakfast at Go Green Resort, a visit at Sonal Group in Alibaug took place to understand its unique product line, manufacturing process, marketing aspects and logistical strategies. SONAL ENGINEERING PLASTIC FABRICATOR (Sonal Group) is an FRP (Fiber-reinforced plastic) company which entered in FRP field since 1998, providing world class solutions for all piping and fittings in plastic fabrication, with a proud heritage of customer service and reliability since 1997. The company has 2 units under single roof of Sonal group, in two different locations - one in Alibaug and the other in Ranjanpada. Their workshop covers an area of more than 25,000 sq. ft. and an open storage area of more than 1,00,000 sq. ft. The company is in a position where they can provide every tailor-made product to customers in a short span of time. The owner of Sonal Groups, Mr. Anil Mhatre took the students around the manufacturing plant and described the basics of the production process while everyone observed closely.

Below are a few intriguing topics that Anil Sir spoke about:

- Importance of FRP products
- The nature and behavior of FRP products
- Installation and load bearing capacity of the products.
- Detailed information on GRP (Glass Reinforced Plastic), the resin materials they used such as Dera Kane, Atlac, Vipal, etc.
- He also spoke about the equipment's such as storage tanks, box tanks, vertical tanks, cable trays, gratings, grip structural profiles, etc.
- Special notable topics on how materials like small thermocol plastic which costs around 6000/- in Germany can costs around 1500/- if made in India.
- With company spread across 22 countries and target audience being industrial sector.
- Anil Sir shared few insights of how they manage **marketing** across 22 international countries and how marketing plays an important role in their growth.
- The Global market of this industry is anticipated to rise at a considerable rate during the forecast period, between 2022 and 2029. The market is growing at a steady rate and with the rising adoption of strategies

by key players, the market is expected to rise over the projected horizon.

- Market is segmented by players, region (country), by Type and by Application. Players, stakeholders, and other participants
- He also gave an in-depth detail of his top buyers from India.
- He has got 5 lakh orders for their FRP's till date. They outsource 30% work to third parties for producing small parts and 70% is taken care by the company itself. Their clients include Reliance Ind Ltd, Gharda Chemicals Ltd, etc.
- They have 4 generators in total for electricity consumption.
- He concluded with how their waste management was handled by either burning or grinding the waste. Grinding waste had its own benefits.

The key takeaway from Anil Sir was that “**Experience gives results**” and we totally agreed to his statement. The plant visit ended with a thank you note by students the owner answering the queries of students.

As a part of the second half of the day, students were taken to Panchavati Beach Resort for lunch after which they were allowed to spend time at the beach. Safety measures were taken and everyone enjoyed thoroughly. The educational visit ended with the serving of snacks and high tea. Thereafter, everyone departed for home at 7 pm.

8. The following are the suggestions offered by students

Good
No suggestions as such
Food would have been good.
The rooms could have been better as well as the lunch
Would like to have an IV that's more than 1 day as there are time restrictions in a one day trip.
The rooms washrooms weren't accessible at all.
Food could've been better
Food was not up to the mark ..that should be taken care of ..overall very thing was good .Thank you Rinkesh sir !!!
Food arrangements could be better
it was a good experience
Well organised. Some aspects could be better , but overall great experience.
Food could be better with dinner
Accommodation and food
it was very good experience
The trip was too good but the food offered wasn't upto the mark. So next time look for hotels with good food
The trip was really great we had a great time and we would love if the college arranges more such trips in the future before our 3rd year and i would suggest the trip should be kept for more like a few days 2-3 days if possible
Whenever booking a resort, please consider the hygiene and cleanliness of the Washrooms. Also, please make sure the food is good
Cool
We want more trips
It was indeed a good trip But it would be better if it was a stay

Great Trip

The resort should have had better rooms and should've been more hygienic.

Nothing

The hotel arrangements and food could have been better.

Bus travel went smoothly. Go Green restaurant ambience was extremely amazing. Educational Visit to "Sonal Industry" was very helpful. Mr. Anil Mhatre explained us regarding every aspect of plastic Fabricator and tried answer almost all our questions. Over all trip went well but the only thing which was not systematic was the food. Food wasn't enough healthy and the taste wasn't up to the mark. Soup was watery and oily also there wasn't enough tea available during high tea. Moreover, the uppma had half-cooked Chana daal.

However, the trip was safe and amazing. The vibe was good but next take special care about food. Thanks to every single person who was involved in making this trip happen. A Special thanks to Rinkesh sir and CRs/DRs. Thanks to Sonal Groups for inviting us and providing Tea+Biscuits. This IV has not just added Value to our knowledge but also created unforgettable memory.

The quality of food can be improved.

Work more on accomodation

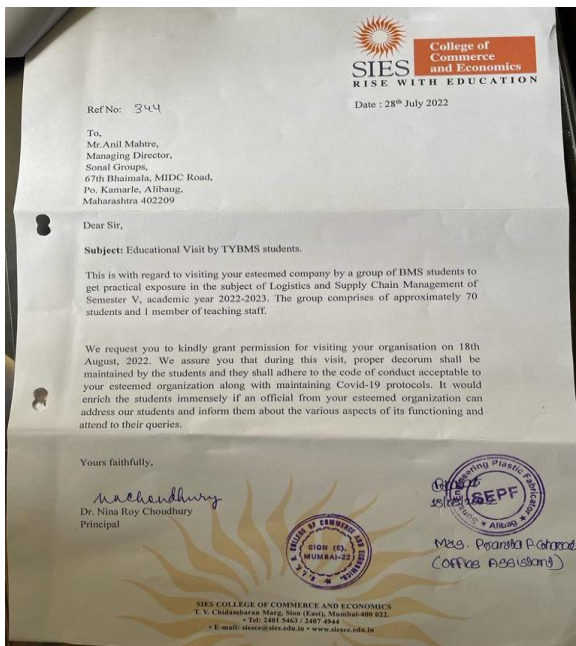

No suggestions.

Food can be more better, and also the room amenities

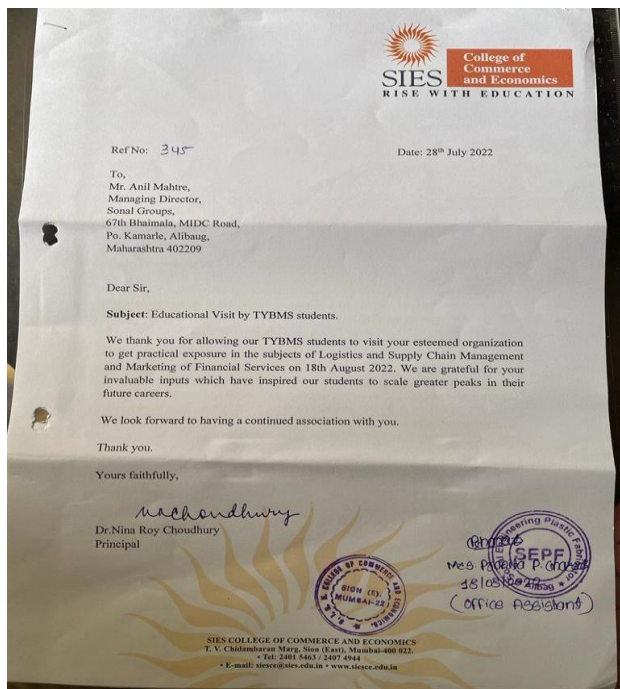

Great education trip

ORGANIZED BY: DISHA 2021

DATE: 15th February, 2023

TIME: 3:00 am – 5:00 pm

VENUE: Powai

No of attendees : 15

Team Disha of SIES COLLEGE OF COMMERCE AND ECONOMICS (AUTONOMOUS), organized a campus visit to ICFAI BUSINESS SCHOOL (IBS) Mumbai which was followed by an informative seminar on Managing Interpersonal Relations for a Successful Career by the resource person Dr. Rita Rangnekar [MA DIRPM, Dip. T&D (ISTD New Delhi), Ph.D Dean-IBACO]. This session was open for all TY Students.

The session by Dr. Rita Rangnekar was extremely useful and interesting wherein she gave amazing insights on managing interpersonal relations for successful career. In this session she explained the importance of building a good rapport with the peers and also on developing listening skills. She emphasized on the fact that in order to be a good leader you need to be a good listener and a learner. She explained that in order to have good leadership skills one must possess the qualities of trust, warmth, care and genuineness. She also explained the importance of having a good body language. She explained all of this with a small fun activity involving all the attendees.

Post the session the attendees along with two faculty members of IBS proceeded for the campus tour. It involved visiting different classrooms, library, canteen and the office at the campus. Classrooms that we visited were spacious, well lit and had good ventilation with modernized teaching equipment. The library was huge and had plenty of books of different genres which included educational as well as few novels. The day ended by clicking a photograph in the campus with the faculty members of IBS and all the attendees.
