- 2. Mr. Sachin Mehta, Bennett, Coleman & Co. Ltd., The Times India Group
- 3. Mr.Raghunath Shetty, Life Insurance Corporation of India LIC
- 4. Mrs. Suja Joy, Economics Law Practice

The BMS Department of SIES College of Commerce and Economics (Autonomous), organized a webinar on 'Industry Talks' as a part of its Parent's Connect program, on 6th September, 2022 between 10:30 am and 3 pm. Mr. Arun Soundarajan, Mr. Sachin Mehta, Mr.Raghunath Shetty and Mrs. Suja Joy were invited to deliver the session, focusing on their journey and sharing some beautiful insights regarding their profession.

The session witnessed participation of more than 150 students, 6 faculties and the principal.

Michelle Vaz and Mith Vora welcomed all participants and invited the BMS Co-ordinator, Mr. Aniket Swaraj, who elaborated on the department's pilot initiative and informed participants the importance of gaining practical experience, followed by the Principal, Dr. Nina Roy Choudhury, who lauded this exercise and emphasized the need to establish a greater Parent connect. Post the introduction of the speaker given by Michelle and Mith, Mr. Arun Soundarajan took over the proceedings of the session.

Mr. Arun kicked off the session by briefly describing his role in his present organization, where he deals with Credit risk management. With a larger number of participants being unacquainted towards Credit risk, the speaker explained about the basic concepts such as credit insurance, indemnity, underwriting and various subjective heads. He explained briefly about the whole process of an insurance, how they evaluate the buyers, how premium is calculated on credit turnover, how these transactions are regulated by IRDA, what percentage of claim is usually offered. He further spoke about the new concept of AI & Machine

learning; how these skills are going to impact job seekers. He ended his session by advising students to learn such technical skills, get more insights into finance, to make your core stronger and a Q&A session.

After that Mith Vora gave a brief introduction about Mr. Sanjay Mehta. He spoke about the important aspects like how to be employable, interview preparation, 2nd income and many other fields. He elaborated further advising students to set clear goals, pursue additional courses, time management and converting hobby into income. He also conducted a student's time out wherein he asked student's the challenges faced by them and things students do to overcome those challenges. He gave solution to the problems and even shared his real-life experiences.

The next session was conducted by Mr. Raghunath Shetty. In his address, he threw some light on his job at LIC. He explained how insurance companies make money with some beautiful examples. Students got to know the working of an insurance company. He gave complete description about insurance; what are the various exams student's need to appear for, what skills are required to get an upper hand over other candidates and the whole examination structure. In addition, he enlightened students regarding various other courses in the field of insurance namely- Actuarial Science and MBA in Risk & Insurance. He educated students about the scope and job opportunities these fields offer. He addressed student's doubts and gave a list of another unfamiliar fields.

The final session was commenced by Mrs. Suja Joy. She took students to a down memory lane of her personal life and background and explained students to choose their profession according to their interests and skills and not under the influence of anyone. She mentored students to know their personality; whether they are a leader or a follower; what do they need:- money or peace of mind. She answered student's questions and also highlighted the importance of soft skills while in a corporate job.

The event was stimulating and enjoyable and simultaneously profitable as all parents shared their views and good numbers of new ideas, information and insights came up. Students expressed their gratitude to the mentors for their guidance and support. The event ended with a formal vote of thanks by Saad Attar and group photographs.

A Report on Educational Visit to Parle Manufacturing Plant at Karjat Academic Year 2022-23

20th December 2022

An industrial visit was organised for the students of FY/SY BFM and SYBMS for the subject Principles of Management and Production and Total Quality Management on 19th December 2022. The group comprised of 69 students and 2 members of the teaching staff.

Students assembled in college at 6:30 am and departed for Khopoli via bus at 7:30 am. After a brief stop for breakfast at Monteiro Resort, we visited the Parle Factory Plant in Khopoli to understand its current product line, market position, manufacturing process, and strategies. A short 20-minute documentary video was displayed describing the basics of the production process and the ingredients of Parle's most famed products. An official then gave the group a tour of the plant where they observed the production process closely. The plant visit ended with the export manager answering the queries of students.

As a part of the second half of the day, students were taken back to Monteiro Resort for fun activities. Before lunch, students took part in an adventure-packed climbing course organised by the resort. Safety measures were taken and everyone enjoyed the activity thoroughly. Post lunch, students were allowed to have a relaxing time at the resort pool along with DJ and Raindance. The educational visit ended with the serving of snacks and high tea. Thereafter, everyone departed for home at 7:30 pm.

Report of Session on Inter-Generational Solidarity

16th November 2022

The BMS Department of S.I.E.S College of commerce and Economics (Autonomous) along with My Retired Life Foundation (MRLF) organised an Interactive Session on Inter- Generational Solidarity for second year BMS students on 16th November 2022 in the college auditorium between 01:00 pm - 02:40 pm.

The objective of the session was to discuss the problems and issues faced by the older generation, and how the youth can try and solve those problems. The session began by introduction of the speakers by a SYBMS student, followed by Principal Nina Roy Choudhury, the students were then addressed by the chief guest Dr AK Sengupta, he briefed the students about various problems faced by senior citizens in our country, this was followed by a qualitative discussion between the students of SYBMS and Dr AK Sengupta on how the said issues and problems our senior citizens are facing can be solved.

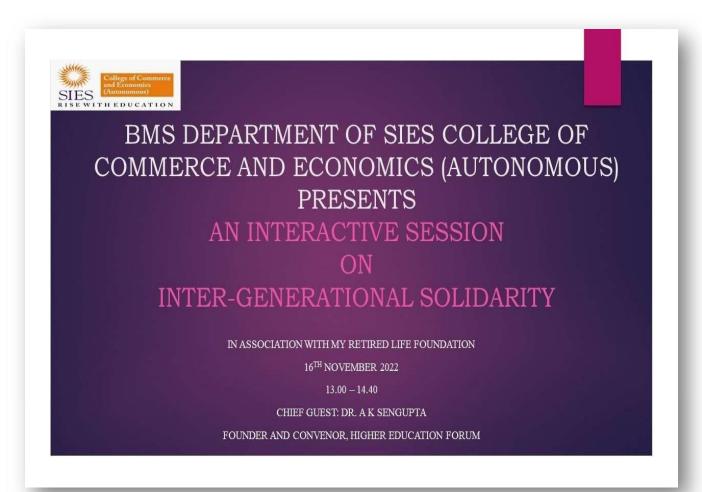

Overall, the session concluded that elderly are an integral part of a population of any country who owe respect and attention equally like any other section. However, due to changing family structure and modernization, elderly population is facing inevitable challenges to live their life respectfully. Loneliness, negligence and less importance, illness due to ageing and against lack of treatment are most of the treacherous conditions which elderly are facing, the young generation should behave politely and make them feel important as that will help in solving most of the problems faced by them. The session ended with a vote of thanks given by a SYBMS students.

BMS Alumni Webinar

Series Report on

webinar of Master –

Key to MBA

Session Speaker: Mr. Vatsal Vora

Date and Time: Saturday, 14th January 2023, 2:00pm – 3:00pm

REPORT: As a part of BMS Alumni Series, the BMS Department of SIES College of Commerce and

Economics organized a session on "Master-Key to MBA" on 14th January 2023 from 2pm to 3pm. The

speaker of the event was Mr. Vatsal Vora, an alumnus of SIES BMS batch, who completed his MBA

from IIM Rohtak and is currently a management trainee at Mother Dairy Fruit & Vegetable Pvt. Ltd.

There were about 84 students who attended the session.

SYBMS student Ayush Bohara introduced the speaker and the session commenced with Mr.Vatsal

asking the attendees the reason for pursuing an MBA. He then went on to cover an interesting aspect

of "Why not to do an MBA", in which he summarized the problematic side of the coin like hefty fees,

low intakes. Then, the benefits of doing an MBA were highlighted like the increase in

payscale, increased exposure and enhanced knowledge on subject of interest.

The session was to focus on not only the pros and cons of MBA but also to understand the myths and

the reality part of it. Points like raising finance for an MBA and viable options like free bank loans

were really helpful. The speaker also shared insights on his life at IIM Rohtak, motivation on cracking

entrance exams as well as tips on how to build an effective profile to pass the eligibility criteria. He

also discussed current affairs and encouraged us to speak on them. At the end Mr. Vatsal shared his

profile with us and emphasized on highlighting important achievements and work experiences while

using Linkedin to build an online brand for yourself.

Following his valuable insights, a brief Q&A session took place and Michelle Vaz, a TYBMS student

delivered the vote of thanks. At the end a group photo was taken which marked the end of the session.
