National Level Research Conference “NIRMITI”

Innovative AQUA strategies for achieving excellence

21/02/2024

The IQAC and Department of Bachelor of Management Studies organized the third edition of National-level Research conference “NIRMITI” on 21st February 2024 from 11:00 am to 4:30 pm. 155 students participated in the initial phase by submitting their research papers. Among them, the top 24 research papers were selected and were presented in front of 2 judges in the college auditorium. The research conference aimed to make students understand how to write and present a research paper.

The session started with a program introduction by Mr. Aniket Swaraj, Convenor and Coordinator of the BMS department. After that, Principal Dr. Nina Roy Choudhury, IQAC Coordinator and Vice-Principal Mrs. Sangeeta Kore addressed the students. Judges Dr. Shiv Prasad Murugan and Dr. Pushpendu Rakshit were introduced and felicitated.

Students were given 5-6 minutes to present their research paper followed by a Q&A round. Thereafter, the judges gave their feedback and announced the top 3 winners.

The winners were awarded medals and certificates. The conference was very informative and knowledgeable to the students and will help them in the long run. 155 student participants, 15 student volunteers and 6 faculties were present for the event, alongwith 2 judges.

REPORT

SESSION NAME : Student Development Program

SPEAKERS NAME: Dr Sagar Gaikwad, Dr Vinod Kamble, Dr Naina Salve and Dr Kanika Khurana

ORGANIZED BY: Research Cell

DATE: 24th July, 2023 to 5th August, 2023

TIME: 10:00 am - 12:00 pm

VENUE: Auditorium

No of attendees : 50

The Research Cell of SIES College of Commerce and Economics organized a comprehensive 5-day program aimed at equipping students with the necessary skills for research paper writing. The program featured esteemed speakers who shared insights into various aspects of the research process. The seminars were conducted in the college auditorium, with each session lasting for 2 hours.

Day 1 (24th August 2023): Dr. Sagar Gaikwad

Topic: Introduction to research, types of research, framing objectives, framing hypothesis, and research problem. Dr. Gaikwad's session laid a strong foundation, providing a clear understanding of fundamental concepts.

Day 2 (25th August): Dr. Sagar Gaikwad

Topic: Review of literature, gap analysis, and sampling techniques. Engaging and informative, Dr. Gaikwad continued to guide students through the intricacies of literature review and research methodology.

Day 3 (26th August): Dr. Vinod Kamble

Topic: Questionnaire preparation, validation, data analysis, and data interpretation. Dr. Kamble's student-friendly approach facilitated an easier grasp of complex topics, making the session highly beneficial.

Day 4 (27th August): Dr. Naina Salve

Topic: Research problem, components of research proposal, theoretical construct, and variables in research study. Dr. Salve's eloquent presentation made the seminar engaging, covering crucial aspects of formulating a research problem and proposal.

Dr. Shanti Suresh

Dr. Nina Roy Choudhury

Day 5 (5th August): Dr. Kanika Khurana

Topic: Qualitative analysis, its trends, and techniques. Dr. Khurana simplified complex concepts, ensuring students comprehended qualitative analysis effectively.

At the end of each session, a question-and-answer round provided attendees with an opportunity to seek clarification, enhancing the interactive nature of the program. The primary objective of these seminars was to prepare students for participation in the university's research paper competition, AAVISHKAR.

On the final day, attendees, including students and faculty, were provided with refreshments. The vote of thanks for each session was eloquently delivered by students Ms. Shristi Kotian, Ms. Shailja Bagla, Ms. Hiya Doshi, Ms. Ananya Shetty, and Ms. Akshata Venkatraman, respectively. In the closing session, Dr. Shanti Suresh, Vice Principal of the college and Chairperson of the Research Cell, encouraged students to internalize the learnings from the program and actively participate in upcoming research activities. The 5-day program successfully equipped students with essential skills for academic and research excellence.

SESSION ON : HOW TO WRITE YOUR FIRST RESEARCH PAPER

Session Speaker : Dr. Arijit Bhattacharya, Associate Dean - Research, IBS Mumbai

Date and Time : 31st October, 2023, 2:30 pm to 4:00 pm

REPORT:

SIES COLLEGE OF COMMERCE AND ECONOMICS (AUTONOMOUS)

SESSION ON HOW TO WRITE YOUR FIRST RESEARCH PAPER

01/11/2023

Research is one of the most crucial and required elements of knowledge to broaden the horizon of students and graduates. It helps them to gain access to various streams of education and learning with no restrictions or fear of balancing marks or opinions. Yesterday's session was solely dependent on making the students aware about the integrities of writing and outlining a beautifully curated and well informed research paper.

The speaker, Dr. Arijit Bhattacharya, Associate Dean - Research, IBS Mumbai explained all the required steps that are to be followed and practiced in order to carve the best research paper. He spoke about the areas to gather initial information from, how to filter out unwanted information and how to use the in hand information with full potential. He even explained about the data collection methods and distinguished the difference in methods of data collection with real life examples. He elucidated the various statistical tests which can be used for data analysis. The benefits of a solid research paper were shared with the students for their betterment and even the impact of research paper in relation to the students' academic achievements were also shared.

The session was solely kept for the Third year BMS students as they will soon be writing research paper individually as a part of their academic curriculum and therefore this session was kept with an aim of providing aid and guidance to the students. The session was organised under the supervision of BMS Co-ordinator Mr. Aniket Swaraj and faculty Mrs. Fleur Fernandes. The session was concluded by Jyotiram Alawe, Rahul Tiwari and Mahdi Sayyed from IBS Mumbai's team as they made the students aware about their prestigious and

well renowned institution aceing in providing MBA education. They explained how one can take admission and fulfill their desire of seeking post graduation from a well recognised and established institution.

100 students and 4 faculties attended the session.

QUESTIONNAIRE FRAMING AND DATA ANALYSIS**

04/12/2023

To prepare the students of SYBMS and TYBMS to undertake high level research, publish research papers and other research work, the BMS Department arranged sessions on Questionnaire Framing and Data Analysis on 26/11/2023 and 03/12/2023. Dr. Chandra Iyer, Assistant Professor, Department of Management Studies, B. K. Birla College of Arts, Science and Commerce (Empowered Autonomous) was the resource person.

She highlighted the importance of research in personal life and described the anatomy of a research paper. She guided students on how to identify variables, formulation of questions for the questionnaire, designing the layout and testing the questionnaire, coding and analysis of the collected data. Dr. Iyer conducted hands-on training on descriptive statistical analysis, percentage analysis, average score analysis, testing of hypothesis using ANOVA, correlation and regression analysis.

The sessions were well-received by the attendees. 169 students, 2 faculties and the resource person were present for the sessions.

The screenshot shows a Zoom meeting interface with a Microsoft Excel spreadsheet open. The spreadsheet contains a table with the following columns: Timestamp, Gender, Age, and a question about the most troubling situation for next-generation managers. The table lists 22 responses with their respective genders and ages, and the specific situations they find most troubling. The situations include difficulty handling situational stress, identifying exact issues, choosing the best solution, and solving an issue. The spreadsheet also includes a column for ranking the following skills in order of evaluation, such as Creative thinking skills, Organizing skills, Decision making skills, Problem solving skills, and Critical thinking skills.

REPORT

SESSION NAME : SDP ORIENTATION

SPEAKERS NAME: Dr. Shanti Suresh

ORGANIZED BY: Research Cell

DATE: 21st July 2023

TIME: 10:00 am

VENUE: Auditorium

No of attendees : 32

On 21st July 2023, the Research Cell of SIES College of Commerce and Economics Autonomous organized a Student Development Program (SDP) orientation session in the college auditorium. The primary objective of the session was to familiarize the students with the upcoming 5-day training program, "Sharpening Contours of Research 2.0." The session aimed to provide insights into the program's structure, objectives, and the forthcoming AAVISHKAR research paper competition organized by the University of Mumbai.

Dr. Shanti Suresh, graced the occasion as the keynote speaker. Her presence added gravitas to the event, and her extensive experience in academia made her the perfect guide for the students embarking on the research journey. Dr. Shanti Suresh commenced the session by providing a comprehensive overview of the upcoming 5-day training program, "Sharpening Contours of Research 2.0." She highlighted the program's significance in enhancing research skills, fostering critical thinking, and preparing students for the challenges of academic research. Dr. Shanti Suresh also shed light on the prestigious AAVISHKAR research paper competition, which serves as an excellent platform for students to showcase their research prowess. She encouraged students to actively participate in the competition, emphasizing its potential impact on their academic and professional growth.

The session concluded with an interactive Q&A segment, allowing students to seek clarification on various aspects of the training program and the upcoming research competition. Dr. Shanti Suresh's engaging responses further motivated and inspired the students.
